Dear Sir:

This response is being filed to address the defect in the declaration filed on January 15, 2004, noted in the supplemental Notice of Allowability mailed on December 6, 2007. Specifically, the notice indicates that the original declaration is defective because it did not list the full name of each inventor. In response, Applicant respectfully submits a new substitute declaration which includes the full name of the sole inventor, Saadallah Jabri.

Dated: January 15, 2008

Respectfully submitted,
